

REMARKS

Claims 1-3 and 5-8 have been cancelled without prejudice or disclaimer; only Claim 4 is pending. Claim 4 has been amended. This amendment has not been made for purposes related to patentability. The specification has been amended to refer to the parent (U.S. Application No. 09/699,394). A Submission of Corrected Formal Drawings incorporating the changes made in parent U.S. Application No. 09/699,394 is submitted herewith.

Favorable consideration and early passage to issue are respectfully requested.
